Noticiero Pre-escolar 2023

Math – Matemáticas

During this month, children will work on counting sets of up to ten objects and labeling each collection with a numeral. Such an exercise reinforces the link between numerals and the quantities. Simple addition will be also introduced through counting. Using numeral cards please play the game Memory Number (Flip two cards to see if they are the same number). Playing this game with your child will help develop his or her skills in number recognition, reading numerals, and counting. Have fun!

Home activities - Ask math questions to your child - What number is this? - How do you know you have 6 objects? -What number is one less than 7?- Show me 6, 7, 8, 9, 10 beans. Let's count them out loud.

Durante este mes, los estudiantes trabajaran a contar grupos de 10 objetos y reconocer cada grupo con el número. Este ejercicio les ayudará a conectar el número con la cantidad. Los estudiantes aprenderán a sumar a través de contar. Use cartas con números y jueguen a encontrar el número igual. Este juego le ayudará a su hijo(a) a reconocer los números.

Actividades para la casa Pregúntele a su hijo - ¿Que numero es este?- ¿Cómo sabes que tienes 6 objetos? - ¿Qué número es menor que 7? - Muéstrame el número 6, 7, 8, 9, 10. Ahora contemos cada uno.

Reading – Lectura

This month we will learn about transportation. Using the Prek Unit of study “Transportation”, we will read stories about the different kinds of transportation and why it is important. You can help your child learn more by talking about the kind of transportation you use. Also, talk to your child about the things he/she is doing at school and the new letters and words that he/she is learning.

Durante este mes vamos a aprender sobre la transportación. Usando la unidad temática “Transportation” leeremos cuentos sobre las diferentes formas de transportación y por qué es importante. Ustedes pueden ayudar a su niño o niña a aprender más hablándole sobre la transportación que usted usa y las cosas que está haciendo en la escuela y sobre las nuevas letras y palabras que está aprendiendo.

Science

In January, students will learn about Winter. They will learn the clothes we use in winter months and the activities that we do during winter. In January we will be learning about health and hygiene. Since we want everyone to stay healthy during flu season, we will discuss how germs are spread.

Vamos a aprender sobre el invierno. Los estudiantes aprenden cómo nos vestimos durante el invierno y las actividades que hacemos durante el invierno. También como mantenerse saludable durante el invierno.

Phonics - La fonetica

This month, we will learn the letters A - O. Write the letters A - O at the top of a large piece of paper. Help your child find pictures of objects whose names begin with these letters in newspapers, magazines, or catalogs. Make a collage with the pictures. You can also draw your own pictures.

En este mes aprenderemos las letras A - O. Escriban la A - O en la parte superior de una hoja grande de papel. Ayuden a su hijo/a a encontrar imágenes de objetos cuyos nombres empiezan con estas letras en periódicos, revistas y catálogos. Hagan un collage con las imágenes. También pueden hacer sus propios dibujos.

Social Studies - The students will learn about Dr. Martin Luther and why he is so important in our lives.

The students will learn that Dr. Martin Luther King Jr. was a hero in the fight for civil rights. He was a leader in the movement to end racial segregation in the United States. His most famous address was the “I Have A Dream ” speech. He was an advocate of nonviolent protest and became the youngest man to be awarded the Nobel Peace Prize

Important dates:

January 3– School resumes

January 16–Dr. Martin Luther King, Jr. Birthday- No classes

Enero 3 - Las clases empiezan

Enero 16 - El cumpleaños del Dr. Martin Luther King, Jr. - No hay clases

Think and Talk With your child...

What did you read today? What was the story about?

What season is it? What is the weather like today?

Pensar y conversar con tu hijo(a)...

¿Qué leíste hoy? ¿Sobre qué se trataba el cuento? ¿En qué estación estamos? ¿Cómo está el clima hoy?
